Dear Mr. Polay:

Congratulations! It is with great pleasure that we inform you that your child, Samuel, has been chosen for a **Wing High Flyers** award. This monthly student recognition award is given to students who show exemplary behavior, such as respect for others, helpfulness, kindness, etc. The first grade teachers are choosing two students from each class per month to be "star students". Samuel has been chosen as one of these students!

Recipients of this award receive an award certificate and their names are submitted to the newspaper for recognition. The first grade winners will be completing an "All About Me" poster that will be displayed in the classroom, and the monthly winners will have lunch with Mrs. Lima and me.

We believe that positive reinforcement of behavior that demonstrates ethical values will encourage our students to become good citizens of our nation and the world. By teaching them to appreciate the importance of respect for others and tolerance of differences, they will be better prepared to make thoughtful moral choices. We are proud of their good character, as we know you are. We appreciate your dedication as parents to strengthening the character of your child at home.

Sincerely,

A handwritten signature in blue ink that reads "Matthew Bridges".
